DESIGN FREEDOM

Whether it's colour, finish, or the freedom to create a simple flat roofing design or soaring shapes, COLORBOND® steel Matt provides you with the flexibility to realise your design vision. This contemporary finish offers a sophisticated twist, which alongside our existing COLORBOND® steel range provides even greater design opportunities.

The new COLORBOND® steel Matt finish allows you to make stylish and defining design choices for building exteriors. Choose from five of COLORBOND® steel's neutral colours; Surfmist®, Shale Grey™, Dune®, Basalt®, and Monument® to make your design statement.

STAYS DISTINCTLY BEAUTIFUL

To achieve this finish, these five neutral COLORBOND® steel colours have been enhanced using BlueScope's innovative Matt paint technology, creating a softer, more subtle look. This purely aesthetic change has been purposely designed to create a true Matt finish whilst retaining the durability you'd expect from COLORBOND® steel.

Tested for over a decade, COLORBOND® steel Matt has been designed to withstand our harsh Australian environment. The result is a product which maintains its Matt finish, looking even better for longer.

TESTED, TESTED AND THEN TESTED AGAIN

For over a decade COLORBOND® steel Matt has undergone real world exposure testing and accelerated laboratory testing at BlueScope sites in Australia. COLORBOND® steel Matt is also manufactured in Australia and compliant with all relevant Australian Standards.

DESIGNED FOR THE HOT AUSTRALIAN SUN

COLORBOND® steel Matt incorporates our unique Thermatech® solar reflectance technology, designed to reflect more of the sun's heat on hot sunny days. It also benefits from our industry-leading metallic coating incorporating Activate® technology to provide enhanced corrosion resistance.

TO APPLY FOR AND ACTIVATE A WARRANTY, SIMPLY VISIT BLUESCOPESTEEL.COM.AU/WARRANTIES

1. Warranties subject to application and eligibility criteria. For full terms and conditions and to determine the eligibility of your building for the warranty visit bluescopesteel.com.au/warranties or call BlueScope Steel on 1800 064 384. The COLORBOND® steel Matt colour swatches and images shown in this brochure have been reproduced to represent actual product colours and finish as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones and finish. To determine the most suitable material for your project, please contact your supplier or see steel.com.au/colorbond. COLORBOND®, Thermatech®, Activate®, BlueScope, the BlueScope brand mark and ® colour names are registered trade marks of BlueScope Steel Limited. TM colour names are trade marks of BlueScope Steel Limited. © 2017 BlueScope Steel Limited ABN 16 000 011 058. All rights reserved.
